Standing Order benefits!

Particular Baptist Press, a non-profit ministry, is seeking interested institutions and individuals who believe in the promotion and preservation of Baptist history, who will entrust a standing order with our Press that will help finance other publications. Knowing we have a fixed number of orders enables us to print larger quantities, which in turn lowers our per-volume sales price. Our individual standing order customers also enjoy free shipping.

What is a standing order and how does it work?

A standing order means that as we publish a book, we will automatically ship the book directly to you with an invoice. We generally print between three and four books a year. If, for some reason, you do not want a particular book, you may return it with the invoice. When your order is initially set up, we will work with you to customize your preferences with regard to our inventory of publications that you may not already own. Thus, getting you caught-up on all of our books of interest to you.

To request a standing order with Particular Baptist Press, fill out the form below and return it to 2766 W. Farm Road 178, Springfield, MO 65810. For more information please contact Gary Long or Patti Holcomb at (417) 883-0342 or e-mail us at bookorders@pbpress.org.
